

# Job offer

The Swiss Sailing Team is the institution commissioned by Swiss Sailing to organize and promote the Olympic sailing sport and young talents. To enforce our team of coaches in the elite, we are looking as soon as possible or by arrangement for a

## Head coach ELITE (100%)

### Your area of responsibility:

The area of responsibility includes all tasks in connection with the operations of the Elite sport squad of Swiss Sailing Team AG. The ultimate goal of your work is winning a medal and diplomas at the Olympic Games in Tokyo 2021 and/or Paris 2024. By an ongoing improved management of the performance development of athletes and coaches, further international podium results at World and European Championships should be achieved.

### Main tasks:

- Planning, implementation and controlling of the long-term performance development in the yearly SST Elite Annual Programs (FTEM Level E1-E2-M) incl. target results
- Operational leadership of selected SST Elite projects (incl. coaches and support teams)
- Operational leadership of SST delegations (e.g. WORLD SAILING World Championships, etc.)
- Accompanying all SST performance projects (e.g. meteo, material, etc.)
- Accompanying the start-up of the National Performance Center in Lausanne
- High quality reporting to the SST team chef
- Overseeing the athlete`s career planning
- Enhance continuous coach education

### Requirements:

- international track record as head coach / trainer in Elite (Olympic Games, Worlds, Europeans)
- Trainer's diploma (DTA/BTA) or equivalent recognition of foreign diplomas
- Experience with high performance team development
- ability to work self-responsibly and under pressure, team player, organizational talent, flexibility
- strong communication skills and ability of conflict resolution
- Knowledge of Swiss sports structures (Swiss Olympic, FTEM, etc.)
- fluent in English (SST team language) and very good knowledge of German and/or French
- Driving licence categories B, BE as well as motorboat driving licence (CH licence cat. A) - ability to integrate data base

### Services of Swiss Sailing Team AG:

- a salary that meets the requirements and good social benefits
- Integration into the SST coach and management team
- Provision of the work equipment as well as workstation in the SST Headoffice in Dietikon

If you can identify yourself with the tasks and the requirements, we look forward to receiving your detailed application by email or post by 31.12.2020. For further questions, please contact SST Teamchef Tom Reulein under [tom.reulein@swiss-sailing-team.ch](mailto:tom.reulein@swiss-sailing-team.ch)
